

How to get to our Louisenthal/Tegernsee plant

By car:

Follow the general map to reach Gmund am Tegernsee. In Gmund, follow the red arrows as shown on the detailed map.

Visitor parking spaces are provided in front of the main building (before the bridge).

By public transport:

From Munich airport, take the S-Bahn (metropolitan train) line S1 or S8 to Munich central train station (Hauptbahnhof). From there, take the Oberlandbahn (regional train), which leaves every hour from the station annex (Starnberger Flügelbahnhof) for Gmund. From the station in Gmund, it takes about 15 minutes to walk to the plant.

Note:

Train schedules can be viewed on the web at:
www.bayerischeoberlandbahn.de.
